Dated: 16th December, 2016

Dear Sir,

The All India Survey on Higher Education (AISHE) for the year 2016-17 has commenced with effect from 13th December, 2016. All the institutions of higher education are required to upload the data on AISHE portal (aishe.gov.in) by 13th April, 2017 which is the closing date of the survey.

For the AISHE 2016-17, some changes have been made in the Data Capture Formats (DCF). A new Teacher Information Format (TIF) has been included to collect data on teachers profile for creating 'Gurujan' - a teacher portal (gurujan.gov.in). The data in TIF will be uploaded simultaneously with the main DCF. The process to be followed for uploading the data together with the instruction manual is available on the Home page of the AISHE portal.

During 12th Five Year Plan, The Scheme "Higher Education Statistics & public Information System" has been approved which covers AISHE. Under the Scheme, AISHE unit is to be created in each State and AISHE cell in each affiliating university for coordinating AISHE activities. If AISHE cell has not been created so far, the same may be constituted at the earliest. Financial support is being provided to State unit/ University Cell. The detail regarding scheme is available under link "Survey Guidelines" .

I shall be grateful if you could kindly take appropriate action for getting the data uploaded in respect of your institution including affiliated colleges within the stipulated period. Timely uploading of the data will help us in bringing out the AISHE report without any time lag which would be useful for policy makers and planners and other data users.

With regards,

Yours sincerely,

(Rajkumar)
